God put me on earth to accomplish a certain number of things. Right now I'm so far behind I will never die.

It's hard to be nostalgic when you can't remember anything.

A philosopher always knows what to do until it happens to him.

I get plenty of exercise -- jumping to conclusions, pushing my luck, and dodging deadlines.

Unless you're the lead dog, the scenery never changes.

I know it all -- I just can't remember it all at once.

If at first you DO succeed, try not to look astonished!

It's not hard to meet expenses, they're everywhere.

Look out for #1. Don't step in #2 either.

Sometimes I wake up grumpy, Other times I let her sleep.

If we aren't supposed to eat animals, why are they made of meat?

It's lonely at the top, but you eat better.

Be nice to your kids. They'll choose your nursing home.

Why is 'abbreviation' such a long word?

Diplomacy is the art of saying 'Nice doggie!'... till you can find a rock.

We are born naked, wet and hungry. Then things get worse.
