A little girl had just finished her first week of school. 'I'm just wasting my time,' she said to her mother. 'I can't read, I can't write, and they won't let me talk!'

My wife sat down on the couch next to me as I was flipping the channels.. She asked, 'What's on TV?' I said, 'Dust!' And then the fight started..

My wife was hinting about what she wanted for our upcoming anniversary. She said, 'I want something shiny that goes from 0 to 100 in about 3 seconds.' I bought her a scale. And then the fight started...

My wife and I were sitting at a table at my high school reunion, and I kept staring at a drunken lady swigging her drink as she sat alone at a nearby table. My wife asked, 'Do you know her?' 'Yes,' I sighed, 'She's my old girlfriend. I understand she took to drinking right after we split up those many years ago, and I hear she hasn't been sober since.' 'My God!' says my wife, 'who would think a person could go on celebrating that long?' And then the fight started..

When our lawn mower broke and wouldn't run, my wife kept hinting to me that I should get it fixed. But, somehow I always had something else to take care of first, the truck, the car, playing golf - always something more important to me. Finally she thought of a clever way to make her point. When I arrived home one day, I found her seated in the tall grass, busily snipping away with a tiny pair of sewing scissors. I watched silently for a short time and then went into the house. I came out again and handed her a toothbrush. I said, 'When you finish cutting the grass, you might as well sweep the driveway.' And then the fight started...

The doctors say I will walk again, but I will always have a limp.

Saturday morning I got up early, quietly dressed, made my lunch, and slipped quietly into the garage. I hooked the boat up to the van, and proceeded to back out into a torrential downpour. The wind was blowing 50 mph, so I pulled back into the garage, turned on the radio, and discovered that the weather would be bad all day. I went back into the house, quietly undressed, and slipped back into bed. I cuddled up to my wife's back, now with a different anticipation, and whispered, "The weather out there is terrible." My loving wife of 5 years replied, "Can you believe my stupid husband is out fishing in that?"

And that's how the fight started.

A woman was standing nude, looking in the bedroom mirror. She was not happy with what she saw and said to her husband, "I feel horrible; I look old, fat and ugly. I really need you to pay me a compliment.'

The husband replied, 'Your eyesight's damn near perfect.'

And then the fight started.....
