It was my 30th birthday and I wasn't feeling too great when I woke up that morning. I went down to breakfast knowing my wife would be pleasant and say "Happy Birthday" and probably have a present for me. She didn't even say "Good Morning," let alone "Happy Birthday."

I figured, "Well, that's wives for you. The children will remember." The children came down to breakfast and didn't say a word.

When I started to the office I was feeling pretty low and despondent. As I walked into my office, my secretary Janet said, "Good Morning, Boss, Happy Birthday." I felt a little better - at least someone had remembered.

I worked until noon, then Janet knocked on my door and said, "You know, it is such a beautiful day outside and it's your birthday, let's go to lunch, just you and me." I said, "That's the greatest thing I've heard all day. Let's go."

We went to lunch. We didn't go where we normally go. We went out into the country to a little private place. We had two martinis and enjoyed lunch tremendously.

On the way back to the office, she said, "You know, it is such a beautiful day, we don't need to go back to the office, do we?" I said, "No, I guess not." She said, "Let's go to my apartment."

After arriving at her apartment, she smiled at me and said, "If you don't mind, I think I'll go into the bedroom and slip into something more comfortable." Mad at my wife for forgetting about my birthday, not to mention that Janet was quite beautiful, I felt justified in staying. "Sure," I excitedly replied.

She went into the bedroom and, after a few minutes, she came out carrying a big birthday cake, followed by my wife, children and dozens of our friends.

They were all singing Happy Birthday... and there I sat on the couch... stark naked.

A married man and his secretary are having an affair.

They decide to leave the office early and go to the secretary's apartment for an afternoon of, whatever its called.

They fall asleep and don't wake up till 8 PM later that night. They quickly get dressed and the man asks the secretary to take his shoes and go and rub them in the grass. The secretary thinks this is pretty weird, but she does it anyway.

The man finally gets home and his wife meets him at the door. The wife's very upset and asks, "Where the hell have you been?"

The husband replies, "I was taught in school that truth is very painful, but it sets you free, so I will not tell a lie. My secretary and I are having an affair, we left work early today, went to her apartment, made love all afternoon, and then we fell asleep. That's why I'm late!!"

The wife looks at him, takes notice of his shoes and says, "I see those grass stains all over your shoes. You've been playing golf again, haven't you?"
